

A Little Change Can Change A Life!

STEP 1: PLAN

- Decide how big and how long your campaign will be (usually 4-8 weeks).
- Schedule a time to pick up & return your bottles with your local center (a week before/after).
- Complete this form and email it to friendsofbcc@birthchoice.center or turn it in at your scheduled pick up time. The staff is happy to help with scanning and emailing.

STEP 2: PROMOTE

- Begin promoting your campaign dates 2 weeks prior to the start date.
- Birth Choice can provide a digital graphic and a bulletin insert pdf that you can replicate to promote your Baby Bottle Boomerang Campaign.

STEP 3: EXECUTE

- Set-up a convenient baby bottle distribution spot at your church.
- Remind bottle takers of the return due date (for both empty or filled bottles).
- Collect and return filled and empty bottles to your Birth Choice Center.
